

RIOLED HUB

Talent - Strength - Responsibility

Main Content

ORIOLED HUB —

Mission, Vision and Core Value

Mission

Orioled Hub was established to serve medicine users in Vietnam and Southeast Asian countries by providing valuable and quality products registered in Europe at reasonable prices.

Vision

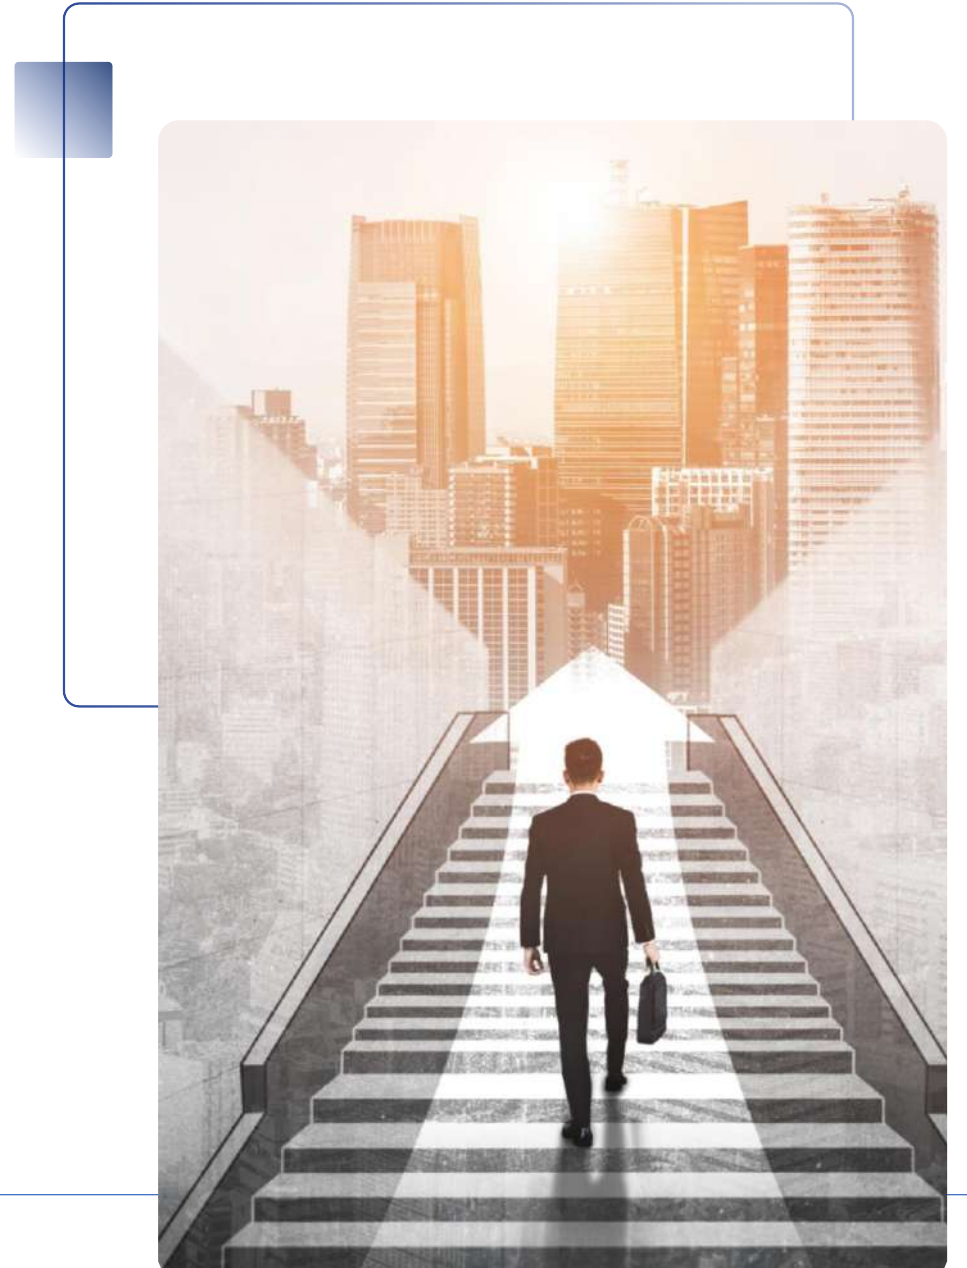

Steering Orioled Hub to aim at the Top 1,000 Pharmaceutical Companies by 2027.

Maintaining the No. 1 company providing EU GMP services to all partners operating in VN.

Becoming the first Vietnamese company to own the highest registration numbers of Generics manufactured in VN to the EU market.

Core Values

Orioled Hub is always aware that each employee is a talent of the organization. Focusing on talent development is similar to the sustainable development of the organization. The 7 core values that each employee shall remember and constantly cultivate expressed through three levels: **Employee (Talent) – Company (Strength) – Society (Responsibility)**.

TALENT (Employee)

- Competence
- Planning
- Commitment

STRENGTH (Company)

- Sharing
- Data-driven
- Succession

RESPONSIBILITY (Society)

- Contribution

ORIOLED HUB

A Global Pharmaceutical Hub

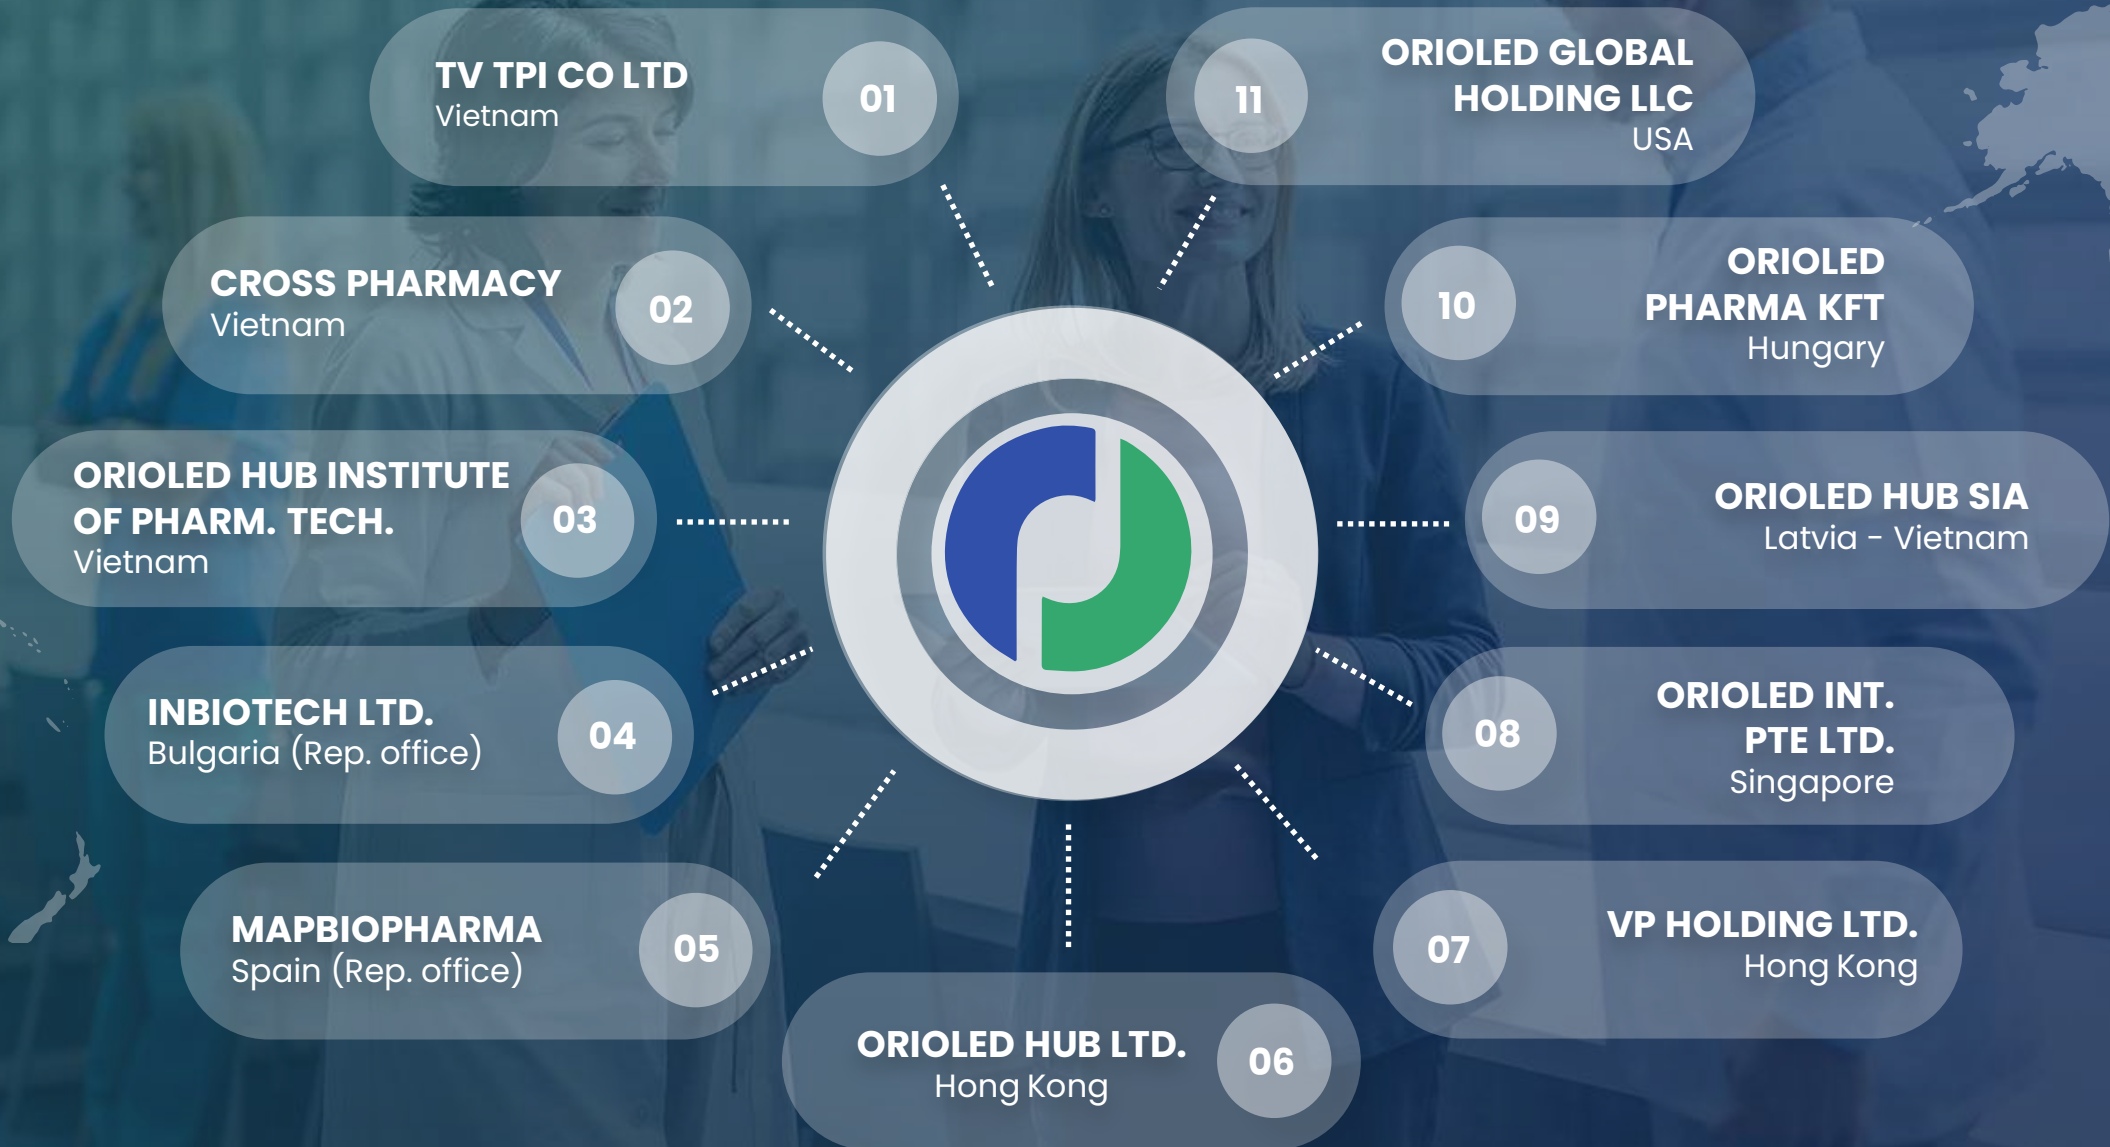

Start Your Adventure

Orioled Hub is a global company, managed and represented by a highly qualified team with extensive experience and expert knowledge in the pharmaceutical industry.

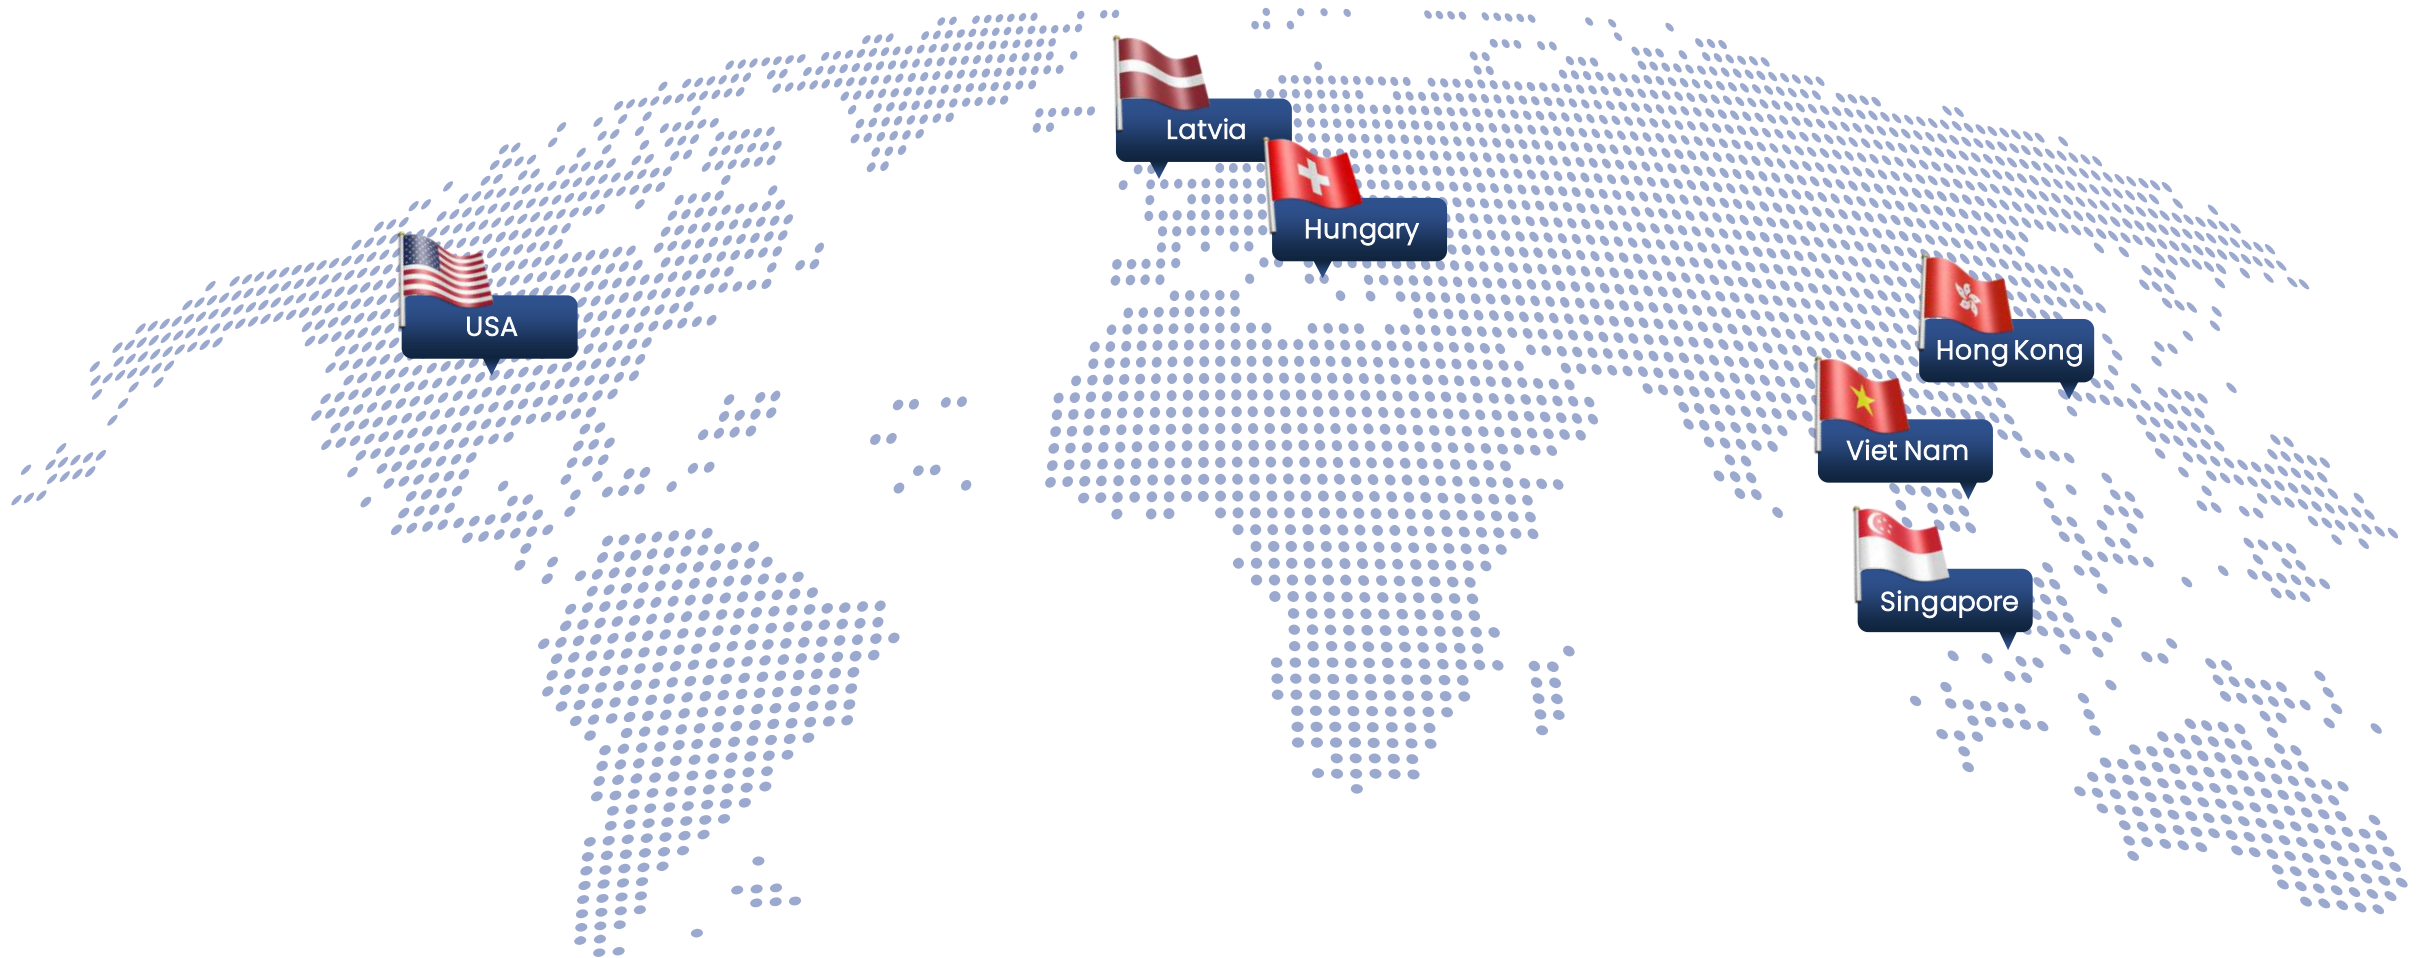

Our offices are located in many countries around the world. We were recently granted a pharmaceutical distributor license (WDA) and marketing authorization with Europe, Vietnam and China pharmaceutical manufacturers, receiving the respect and trust of its international partners.

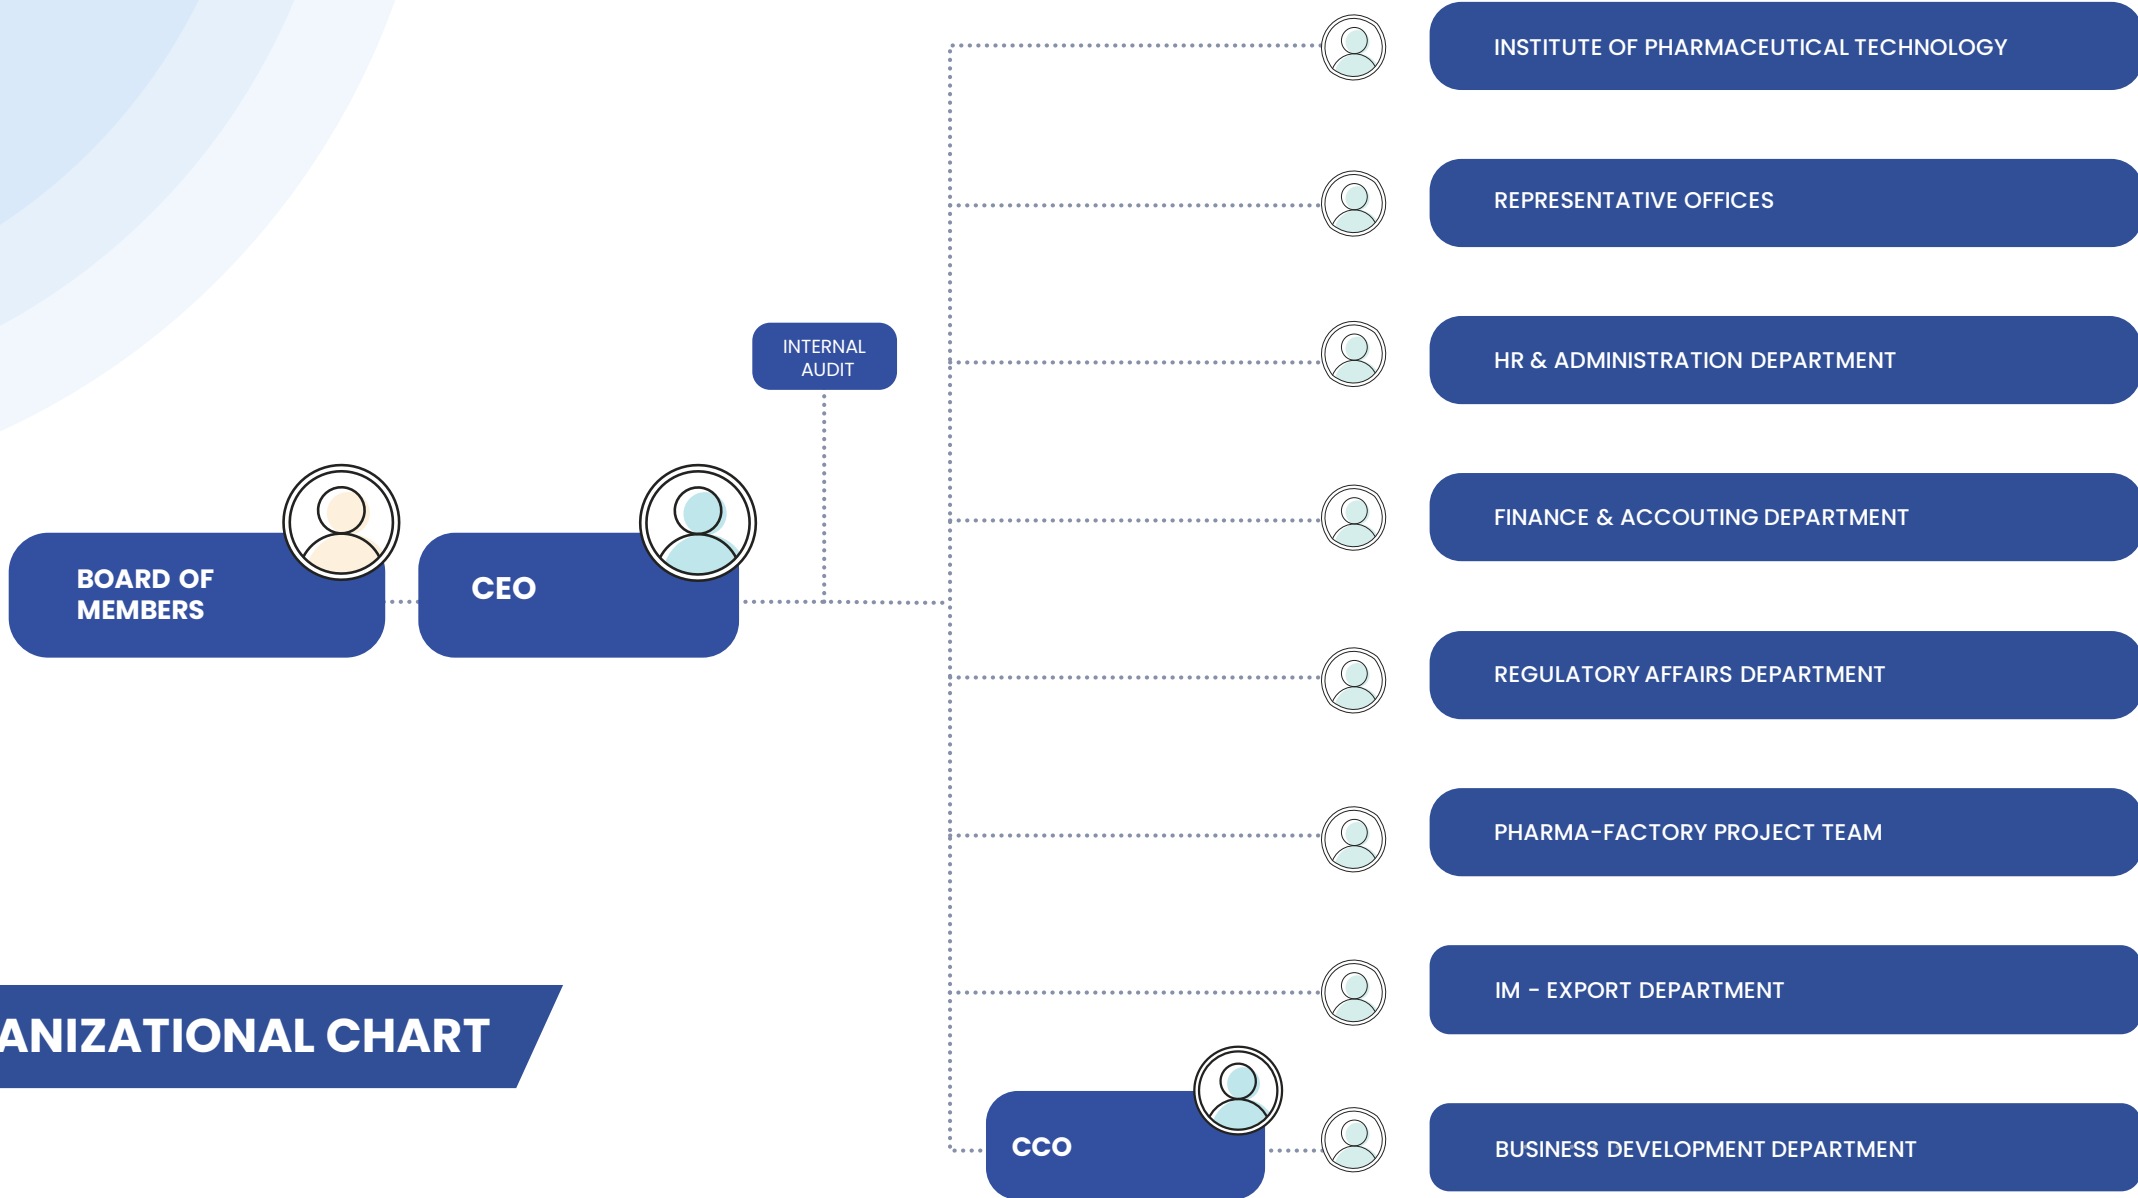

11 Branches – Organization Members Located Worldwide

Global Presence

ORGANIZATIONAL CHART

A composite image of Earth from space, showing the curvature of the planet and the Milky Way galaxy in the background. The Earth is illuminated from the side, creating a bright horizon line. The Milky Way is visible as a dense band of stars and dust, stretching across the sky. The text "ORIOLED HUB" is overlaid on the left side of the image, followed by a horizontal line.
